Percent satisfied with school-home relations	80%	87.1%	90.4%

\*Only students at the highest elementary school grade level at this school and their parents were included.

## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

McCrorey-Liston School of Technology (MLST) is a small community school, nestled in Blair. The mission of McCrorey-Liston School of Technology in partnership with the community and its stakeholders is to provide all students with a strong curriculum, enhanced through the use of technology. Strengthening our instructional practices through the integration of technology has afforded us an opportunity to engage students by preparing them with 21st century skills.

McCrorey-Liston continues to foster a partnership with Winthrop University through various interactions. It was through this partnership that MLST was awarded a NetLead mini-grant to purchase electronic keyboards to support the school's technology initiative. It was also through this partnership that we were able to have Winthrop interns during the course of the school year.

We celebrated our students' talents this year through the following initiatives: Reading Counts Celebration, Honor Roll, Students of the Month, Writers of the Month and MAP "On the Spot" awards. Additionally, qualifying students in grades 3-6 participated in the Eagle Specialist Leadership Program, which allowed them to serve as mentors and peer-tutors. Members of the Young Ladies of Excellence, Jr. Beta Club and Student Council participated in several service learning projects in our community.

The Student Improvement Council (SIC) was very diligent in its efforts to support the school and community. The SIC sponsored a mentoring program, school beautification project, and Early Bird Reading program. Additionally, the Parent Teacher Association (PTA) provided support to McCrorey-Liston by hosting the Fall Carnival, Red and White Ball and Field Day Celebration. Each of these projects was a huge success.

It has been through a focus on leadership and academics that the students, staff, and community have worked collaboratively to promote academic excellence at McCrorey-Liston School of Technology. Together, we have continued our efforts to "Aim High, Fly High and Achieve High" by displaying our eagle pride.

Chandra Bell, Principal  
Ms. Janice Free, SIC Chairperson
